NEWSLETTER 01

March 2018

1.1.2018 – official start date of the project "Narrow Gauge Railways as Attractions and Gates to Nature" (RailGate) SKHU/1601/1.1/031. Project is designed for two years and main objective is to start cooperation between cross-border partners, improve services and marketing of historic narrow gauge railways, and increase their attractiveness through developed Master plan and direct investments.

31. January – first meeting of representatives of both project partners after official start of the project was held. Discussions on further cooperation, systems of work personal responsibilities were discussed and set.
